R.O.C.No. 3160/A4/39.

Station Mangalore ., *Dated the* (16th) 16th November 19 40

From (Name) Sri K.Vittal Shetty.
(Designation) President, District Board, S.Kanara

To The Secretary to the Government of Madras,
Education and Public Health Department.
Madras.

Sir,

G.O 3961 P.H 29-8-40

The District Board feels aggrieved at the decision of Government declining to sanction the opening of a rural dispensary at Subramania in spite of the fact that the necessity for a dispensary at Subramanya was fully explained in my letters No. 3160/39 -A4 dated 3-6-1940 and 8.10.1940.

2. The only ground advanced by Government for asking the Board to defer the proposal is that the financial position of the District Board is not satisfactory. I have pointed out to Government in my letter No. 3160-A4/30 dated 8-10-1940 that the condition of the finances of this Board under General account has been satisfactory

enough and that this is so, is evident from the large opening balances in the beginning of the budget year that are available for expenditure on new schemes such as the opening of dispensaries in rural areas where such dispensaries are urgently needed. The figures relating to opening balances for the past 5 years are given in the appendix to this letter for the information of Government. Government are aware that the most urgent need in interior rural areas is medical relief and it should be the policy of Government to encourage local bodies in their venture to open rural dispensaries with the help and cooperation of the villagers and public institutions. After all the amount which the District Board is called upon to spend on a rural dispensary at Subramanya is only Rs 400/- per year as already explained in my letters quoted above and I assure the Government that the Board's finances are sound enough to undertake this liability from its surplus funds that are always available after meeting all the recurring items of expenditure. The plight of nearly ten villages in and around Subramanya is indeed pitiable - removed as the are far from all medical aid. They have been agitating for a dispensary for the past one decade. The District Board did not take up the question until villgers and the temple authorities came forward with their contribution. They have now magnanimously offered a rent-free building and annual recurring contribution of Rs (350/-) Three hundred and fifty. It is not fair that the District Board which exists to afford amenities to rural areas should be prevented from doing so and that the Government should come in the way of the villagers receiving the necessary medical relief by withholding their sanction.

3. I once again appeal to Government in the interest of the most needed Medical relief to reconsider their orders and permit the Board to open a rural dispensary at least from 1-4-1941.

PRESIDENT,
Dt. Board, S.Kanara.

16.11.40

16.11.40

Copy of letter Ref.C.No:3160/39/A4 dated 3-6-1940 from the President, District Board, South Kanara, to the Secretary to the Government of Madras, Education and Public Health Department through the Surgeon General with the Government of Madras.

Sub:- Medical relief - opening of an Ayurvedic Dispensary in Subramanya - South Kanara District - sanction requested.

In response to the repeated requests made by the council of Trustees of the Sri Subramanya Temple in particular and by the villagers of Subramanya and the ten surrounding villages, the District Board has, in its resolution No.67, dated 14-3-1940 (copy enclosed), sanctioned the opening of an Ayurvedic Dispensary for Subramanya centre.

2. In this District, Subramanya, like Udipi, is a very famous ancient place of pilgrimage attracting a large number of pilgrims from this district and several other districts also from the Mysore Province throughout the year particularly during the annual Shasti festival held in November and December every year.

3. A few days preceding the festival, a big cattle fair is being organised for about 3 weeks in Kulgunda, a place about 2 miles from Subramanya at which 20000 heads of cattle are brought from the Mysore ~~Precinct~~ Province for sale. Both Subramanya and Kulgunda are highly malarial, they being situated at the foot of the western Ghauts in the midst of thick forests.

4. As it is, the people in these centres and the pilgrims who attend the festival and the fair suffer knowly for want of proper medical relief. No regular or rural dispensaries exist within a radius of over twelve miles from these centres, the only nearest L.F. Dispensary being at Kadaba about 14 miles from Subramanya.

5. I have persuaded the Temple authrotities and they have agreed to provide rent free a substantial building in the locality approved by the District Medical Officer.

They have also promised to make to the District Board an annual contribution of Rs. 350/- towards the maintenance charges of the dispensary and have paid to the District board already a sum of Rs 350/= Three Hundred and fifty only for 1940-41.

6. The Revenue Divisional officer, Puttur in his letter L.Dis. 2180/40 dated 15-5-40 received through the Collector (Copy enclosed) strongly recommends the -- opening of an Ayurvedic dispensary. The District Medical officer, South Kanara has instructed and approved of the site and the proposal - vide copy of his letter R.No. 1147 L.H/40 dated 5-4-40 enclosed.

7. The Dt. Board has, in the budget estimate for 1940-41 provided Rs 400/- (Four hundred only) from its funds towards the salary of the Medical practitioner and the cost of medicines as shown below :-

(i) Salary of the Ayurvedic Medical -- practitioner in question at Rs 30/- (thirty) per month =	Rs 360/-
(ii) Balance cost of medicines (in addition to Rs 350/- contributed by the temple authorities ..	10/-
(iii) Other contingencies	30/-
	400/-

8. I request in the circumstances that the Government may be pleased to accord their sanction at a very early date for the opening of the Ayurvedic rural dispensary at Subramania in the current official year.

(sd) K.Vittal Shetty
President,
Dt.Board, S.Kanara.

DJK/16.11.40.

16.11.40 16.11.40

Copy of letter Ref.C.No.5160 A4/39 dated 8th October 1940 of the President, District Board, South Kanara, addressed to the Secretary to the Government of Madras, Education and Public Health Department, Madras.

Subject:-Medical Institutions - Rural - South Kanara District --opening of a dispensary at Subramania to be deferred.

Reference :- G.O.No. Ms. 3961 P.H., dated 29-8-1940.

With reference to the Government Order quoted above directing the Board to defer the opening of a rural dispensary at Subramania on financial ground, I have to point out to Government that the District Board decided to open a rural dispensary at Subramania after giving due consideration to the financial condition of the District Board. In the Budget estimate for 1940-41, provision for the opening of two dispensaries in the current year has been made and Government will be pleased to see that after making provision for all items of recurring and non-recurring expenditure for the current year, the Budget closed with a balance of Rs 13342/- under the General account even after carrying out changes ordered by Government in their order No. Ms. 2589 L.A., dated 22- 7-1940.

2. A perusal of Budget estimates of the Board for the past six years would show that the condition of finances under general account has always been satisfactory. At the end of the financial year it has always been found that the actual opening balance is much bigger than the budgetted balance which is made available for meeting unforeseen unbudgetted expenditure during the course of the year and for transfer to the Elementary Education fund to reduce the deficit in its budget. On an average, the excess opening balance

can be estimated between Rs. ten and fifteen thousand even after taking into account the fall in revenue as a result of the constitution of Panchayat Boards year after year.

3. In the case of the proposed dispensary at Subramania, the District Board has to meet only the pay of the Medical practitioner and contingencies which amount to Rs 400/-. The temple authorities at Subramania have promised to contribute Rs 350/- and gift a suitable building to house the dispensary. The necessity to open a dispensary in the malaria ridden sub-ghat interior village which is an important place of pilgrimage has fully been explained by me in my letter Ref.C.No. 3160/39 dated 3-6-1940. It will be most unfortunate if the Government by withholding or declining to sanction the opening of this dispensary precludes this board from affording medical relief in a village where it is most needed.

4. In view of the fact that the temple authorities have come forward to contribute annually Rs (350)- Three hundred and fifty only and place at the disposal of the Board a building for the purpose, and the District Board has to meet only Rs 400/- (four hundred ~~(only)~~) a year, Government may be pleased to reconsider their ~~(order)~~ orders and permit the Board to open the dispensary at Subramania with effect from 1-11-40 so that the dispensary may serve the villagers and the pilgrims during the ensuing annual Sashti festival to be held between November and December 1940.

Co No 2589 PH dt 22.7.1940 passing orders on the Budget Estimate of the Khamena Dt Bd for 1940-41 is put up below at (F). The file attention is invited to this Dept notes put up in connection with the opening of the Mundkur dispensary

(F) on page 2 of Co No 57214 PH dated 31.10.1940

It will be seen therefrom that the financial position of the Board is not satisfactory. There is a deficit of Rs8510 in the Board's budget for 1940-41 in the General account and a recurring deficit of Rs23,850 in the Cly: Conservation Fund. The Contribution to the Cly Con Fund for 1940-41 has been reduced by Rs 14,500 and there is increased expenditure under P.H. by Rs 21, boomark. The Board cannot afford to incur any additional expenditure. The Board has to make a total deficit of Rs 32,360 in General and Cly. Con Funds together. The Board cannot therefore afford to incur any additional expenditure.

The proposal to open a rural dispensary at Subrahmaniya need not be objected to, as the cost of Rs500 required for the dispensary here will be met from the Contributions of the temple authorities with necessary building therefore. In this way the General Funds will not be affected. The papers may now be transferred to [illegible] dept for further action.

SOUTH KANARA DISTRICT BOARD OFFICE,
MANGALORE. S. KANARA.

16th November 40. 1/66/

Dear Mr. Dixon,

You might remember that when I met you at madras on the 24th October 1940, I had explained to you at length on the necessity of opening a Rural Dispensary at Subramania.

2 I have enclosed a copy of my letter R.O.C. 3160-A4/39 dated 15-11-40 requesting the Government to reconsider their orders No. 3961 P.H., dated 29-8-40 directing the Board to defer the opening of the dispensary on financial grounds. For your ready reference I have also enclosed a copy of my letter dated 3-6-1940 and a copy of my further letter dated 8-10-1940.

3 As stated in my letter dated 15-11-40, orders of Government declining to reconsider their orders No. 3961 dated 29-8-40 are most unfortunate for the reasons stated in my latest communications to Government.

4 .I shall indeed be very grateful to you if you could see your way to move the Government to

permit the Board to open the dispensary at least with effect from 1-4-1941. If you are of opinion that an Ayurvedic dispensary will not serve the needs of the villagers as well as an Allopathic one, I have no objection if the Government sanction the dispensary subject to the condition that an Allopathic dispensary is opened. You will earn the eternal gratitude of thousands of villagers if you will be kind enough to confer this boon on them.

Yours sincerely,

W Gallett.

A.F.W.Dixon Esq., I.C.S.,
Secretary to Government,
Local Administration Department,
Madras.

The D.K. area A.Z.B. is not financially strong as claimed by the D.D.B. It is not able to spend enough from its funds to claim the maximum grant for important marketing roads. The Expenditure roads is Rs 2.86 lakhs as per Statement while the income from funds & tolls etc

Compn is 2·90 lakhs. Paying roads & ferries income & expn on roads, Establ & tools & plant, ~~Trade~~ into account, The Bd is seen to spend 3·63 lakhs against an income of Rs 3·35 lakhs or in other words the amount derived for roads is Rs 0·24 lakh from General resources. The Contribn to Educn fund has to be increased to make up a deficit in that fund. The Local fund is working I|132
at a deficit & these two funds
together show a deficit of 8570 + 13850 = ₹ 22360 (X)
Rs 32360. The opening balances I|136
for ~~the~~ Bd. or ~~not~~ not to be taken as the sole criterion in judging its solvency as this may be counterbalanced by unpaid liabilities. Even the balances I|133
according to the Books show a figures show a tendency is to go down. & in one or two years of Continued deficits the balance of Rs 47577 or 1·4·40 might disappear It is not ~~a~~ this also to

[illegible] party the DB to add this
[illegible] generally. As the addl.
[illegible] involved appears to be only
a small sum of Rs 400, it need
not be objected to. The
Govt may be moved to
sanction.

Sd/- [illegible]

In view of the strong plea made by the
President & the obvious need for a
dispensary & view of the contribution
to be paid by the temple & A will not
oppose the proposal to provide this
small sum

No 3160/A.4/39 dt 15.11.40

ASST. SECRETARY TO GOVT. 25 NOV 1940 EDUCATION & PUBLIC HEALTH DEPT.

In view of the remarks of D.A. the proposal of the South Kanara Dt Bd to open a rural dispensary at Subramanya may be approved. It may however be noted that the expenditure from Dt Bds on the maintenance of the rural dispensary cannot be restricted to Rs 400 per annum it will have to incur more as shown below:—

Subsidy to an L.M.P. to be appointed as medical practitioner in charge of the rural dispensary	500 per annum
Medicines	360
Contingencies (3 x 12)	36
	926 per annum.
Deduct contribution from temple authorities	350
	576 p.a.

The above estimate does not provide for the employment of either a dispensary servant or midwife and the D.B.Bd will have to provide this staff also later on.

A draft order is submitted below for approval. D.A may perhaps see before issue. / Not necessary. 29/11

Ref. C. No. 3160/1939/A4

Station Mangalore , *Dated the* 31st March 1941. 19/

From (Name) Sri.K.Vittal Shetty,
(Designation) President, District Board,
South Kanara.

To The Secretary to the Government of Madras,
Education and Public Health Department.
Madras.

Sir,

(E) As requested in this Office letter R.O.C.No.3160/39/A4 dated 15.11. 1940, Government in their Order No. 5705 P.H. dated 4.12.1940 informed that they have no objection to the opening of a rural dispensary of modern medicine at Subramanya by this District Board from its funds with the aid of a contribution from the local temple authorities.

2. The President of the Council of Trustees of Sri Subramanya Temple informs me that the scheme under which the temple is managed distinctly provides that the trustees can spend funds of the temple only for an Ayurvedic dispensary. He further states that the scheme was settled finally by the High Court of Judicature at Madras and it would be practically

impossible to alter the scheme at this stage especially in view of the fact that some of the Trustees and a good number of votaries are not in favour of spending the temple funds for an allopathic dispensary. He also brings to notice that the sanction accorded by the Board of Commissioners for ---- Hindu Religious Endowments Madras is to make an annual ---- contribution of Rs 350/- towards the upkeep of the ayurvedic dispensary. In view of the above facts the temple authorities cannot possibly contribute anything for the maintenance of the rural allopathic dispensary to be opened at Subramania.

3. The necessity for the opening of a rural dispensary at -- Subramania has already been explained by me in my letter R.O.C. No. 3160/39 A4 dated 15.11.40. I therefore request that Govern. -ment may be pleased to reconsider the orders issued in Government Order No. Ms. 5705 P.H.dated 4.12.1940 and permit this District Board to open a rural ayurvedic dispensary at Subramania.

4. Copies of the letters dated 23. 3. 41 of the President---- Council of Trustees Sri Subramanya Temple and Order No. 913 --- dated 5.3.41 of the Board of Commissioners for Hindu Religious Endowments Madras are enclosed.

PRESIDENT.

Office of the Council of Trustees
Kukke Sri Subramanya Temple, Kadri Road,
Mangalore, 23.3.1941.

From

Sri K. R. Achar, M.A.LL.B.,
President Council of Trustees,
Kukke Sri Subramanya Temple,
Kadri Road, Mangalore.

To

The President, District Board, South Kanara.

Sir,

Subject. Opening of an ayurvedic dispensary at Subramanya Village, Puttur Taluk.

.....

I am enclosing herewith copy of Order No. 913 dated 5.3.41 of Madras Hindu Religious Endowments Board.

As I explained to you at a personal interview the Council of Trustees of Sri Subramanya Temple can spend money only on an ayurvedic dispensary. It would be illegal for the Trustees to budget or spend any amount for an allopathic dispensary.

The scheme under which the temple is managed by a Council of Trustees, distinctly provides that the Trustees can spend funds only for an ayurvedic dispensary. The scheme was settled finally by the High Court of Judicature at Madras. It would be practically impossible to alter the scheme at this stage especially in view of the fact some of the Trustees and a good number of voteries are opposed to spend anything for allopathic dispensary out of the temple funds. In addition to these difficulties the scheme can be altered only after filing a regular suit in the Civil Court. I am sure you know how difficult it would be to successfully carry out this litigation and what an amount of delay it would involve. Hence to ask the Trustee to contribute for starting of an allopathic dispensary is as good as denying medical relief at Subramanya.

From the Order of the Hindu Religious Endowments Board, a copy of which I have enclosed, you will kindly see we have already got sanction to contribute Rs 350/- for an ayurvedic dispensary.

May I therefore request you to alter the proposal of starting an allopathic dispensary into an ayurvedic dispensary at Subramania. This has been a long pending question. I only appeal to you to see that this great need of the place is achieved by you. If this opportunity is lost, I fear the occasion practically disappears and no chance of medical relief for the suffering votaries and pilgrims to theplace would arise for a long time to come.

I have full hopes that you will do your best to persuade the Government to alter their decision in view of the peculiar circumstances, namely as the temple under the scheme cannot contribute anything for the upkeep or running of an allopathic dispensary.

Begging to be excused for all the troubles I am giving you.

I remain,

Sd: x x x

President, Council of Trustees.

5.5.41.

Note

As stated by the P.D.B. South Kanara, the scheme for the administration of temple funds provides for ~~payment of~~ expenditure on Ayurvedic dispensary only, for the reasons given at 'A' on page 14 of G.O. no. 5705 P.H. dated 4.12.40 the proposal to open an Ayurvedic dispensary instead of an allopathic one need not be objected to. The draft over leaf may be approved.

para. 27 odd page of

9.5.41.

The financial position of the Dt Bd is said to be unsatisfactory. (Page 1 of E) The temple is contributing only 350 Rs. The balance of Rs 576 (and more) will still have to be found by the Dt Bd. (22 of E) If it is a dispensary of modern medicine, the expr can be tolerated. But I think the expr of 576 Rs on an Ayurvedic dispensary will be a sheer waste. L.A. may advise.

SECRETARY TO GOVERNMENT 16 MAY 1941 13912 REVENUE ADMINISTRATION DEPT

V/1724

L.A.

Lr. dtd no. 135-31 dy-2 / 187546

In Connection with the same proposal, the financial position of the South Kanara Dt. Bd has already been examined with reference to its budget estimate for 1940-41 vide notes at pp 16 & 19-21 of G.O. No 5705 P.H. dt 4.12.40. The position is not satisfactory. It has not improved according to the B.E for 1941-42. The budget as framed by the Board is expected to close with a deficit of Rs 23771 and there will be a recurring deficit also (vide Statement at (B) Ex P.H. dt 20.5.41). We may be so informed.
